MEMORANDUM FOR Project Officer Tactical Management
Information Systems, ATTN: SFAE-PS-TPL (Mr.
John Topping), 9350 Hall Road, Fort Belvoir,
VA 22060-5526

SUBJECT: Statement of TMDE Nonapplicability for Materiel
Release of the Standard Army Management Information Systems
(STAMIS), Continental United States and Outside Continental
United States

1. Reference memorandum, TACMIS, SFAE-PS-TPL, 10 Feb 98,
subject: Test, Measurement, and Diagnostic Equipment (TMDE)
Statement of Nonapplicability Requested for Standard Army
Management Information Systems (STAMIS).
2. We understand, based upon the referenced memorandum; that there are
no TMDE requirements for the STAMIS.
3. This is your TMDE nonapplicability statement for materiel release of
the STAMIS. There are no TMDE support requirements identified for this
release; however, if any TMDE (general purpose or special purpose) is
added to the support of the STAMIS, this statement will become invalid
and a reevaluation by the U.S. Army Test, Measurement, and Diagnostic
Equipment Activity and subsequent issuance of a revised statement of
TMDE supportability must be made.
4. The point of contact is Mr. Eddy Copeland, AMSAM-TMD-ER,
