MEMORANDUM THRU Program Executive Office, Enterprise Information Systems,
9350 Hall Road, Suite 141, Fort Belvoir, VA 22060-5066

FOR Project Manager, Transportation Information Systems (PM TIS),
(SFAE- PS-TC, Mr. Willie Jones), 8000 Corporate Court, Springfield, VA 22153

SUBJECT: Waiver of the Intra-Army Interoperability Certification (IAIC) Requirement
for the Transportation Coordinators' - Automated Information for Movements System II
(TC-AIMS II), Block 2

1. References:

a. Memorandum, SFAE-PS-TC, 19 May 2003, subject: Transportation
Coordinators' - Automated Information for Movements System (TC-AIMS II), Block 2,
Intra-Army Interoperability Certification Waiver.

b. Memorandum, SFAE-C3T-CTF, 20 June 2003, subject: Extension of the
Transportation Coordinator - Automated Information for Movements System II (TC-
AIMS II), Block 1, Intra-Army Interoperability Certification Waiver.

2. Upon review of the information provided in the above references, the request for an
IAIC waiver for the TC-AIMS II, Block 2, is granted for 12 months.

3. As a condition to the IAIC waiver approval, PM TIS will provide the Central Technical
Support Facility with a copy of the TC-AIMS II, Block 2, Joint Interoperability Test
Command (JITC) report prior to the next request for IAIC. The JITC report will be used
to determine what interoperability requirements the TC-AIMS II, Block 2, has with
C4ISR/Business systems.

4. Prior to the next request for IAIC, PM TIS is directed to provide the Army CIO/G-6
(SAIS-IOQ) with a plan that outlines the steps being taken to mitigate the risk of using
the File Transfer Protocol (FTP) service and the planned transition from use of the FTP
service with interfacing legacy systems.
