14 SEP 2001

MEMORANDUM FOR Commander, Military Traffic Management Command, Hoffman II  
Building, Alexandria, VA 22314

SUBJECT: Automated Air Load Planning System (AALPS)

1. References:

- a. AR 380-19, Information Systems Security, 27 February 1998.
- b. DoD Instruction 5200.40, DoD Information Technology Security Certification and Accreditation Process (DITSCAP), 30 December 1997.
- c. System Security Authorization Agreement (SSAA) for Automated Air Load Planning System (AALPS).

2. Having completed the DITSCAP Certification Evaluation of the AALPS and the SSAA for AALPS with the certification evidence, test results, and analysis results, in accordance with reference 1b, I find that the AALPS does fully satisfy the technical requirements in reference 1a.

3. I recommend that the AALPS be authorized to operate in the system high security mode of operation processing data at the sensitive but unclassified level.

4. My point of contact for this action is Mr. Art Walters, AMSEL-SE-CD, DSN: 992-1537, COM: (732) 532-1537, FAX: (732) 532-5648, or E-MAIL: Arthur.Walters@mail1.monmouth.army.mil.

JAY R. KUROWSKY

Certification Authority for the  
Automated Air Load Planning System
