MEMORANDUM FOR Program Manager, Transportation Coordinators' Automated Information for Movements System (TC AIMS II), ATTN: SFAE-PS-SDF-1, Fort Belvoir, VA 22060-5526

SUBJECT: TC AIMS II Version 3.01 Initial Operational Capability (IOC), Block I Security Accreditation Request Package

1. References:

- a. AR 380-19, Chapter 3, 27 Feb 98, Information Systems Security.
- b. Memo SFAE-PS-SDF-1, 21 Feb 02, subject as above.
- c. TC AIMS II Accreditation Request Package, 21 Feb 02. (Attachment)

2. I have reviewed the TC AIMS II security measures that have been implemented and identified in reference c. These measures include certification and risk analysis of all administrative security, software security, documentation security, physical security, communications, media security, and personnel security requirements. I have determined the level of risk is acceptable and attach the following provision.

-Mitigate the 1 remaining 'high' risk item identified in reference c attachment (i) within 4 months of date of this letter and provide my POC with proof of that mitigation.

3. Accordingly, under the provisions of AR 380-19, Paragraph 3-2 and 3-5(d), generic accreditation is granted to store and process Sensitive but Unclassified (SBU) information in the System High mode of operation.

4. Point of contact for this action is Mr. Gregory Seitz, DSN 656-0507.
